Congratulations to Pelican Isle Yacht Club's Controller, Logan Quataert, for earning his Certified Hospitality Account Executive (CHAE) qualification! Logan has been a part of PIYC's management team since June 2018.

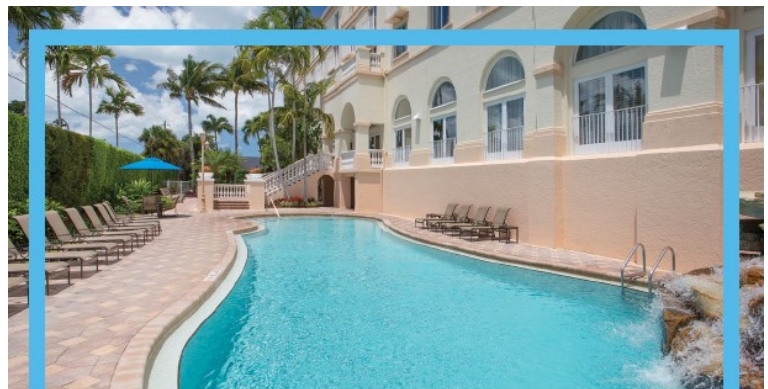

The Certified Hospitality Accountant Executive (CHAE) is a professional certification awarded by the Hospitality Financial and Technology Professionals (HFTP) organization. This highly recognized designation is awarded to candidates who have demonstrated their knowledge in the field and have passed the requisite examination. This challenging test requires a rigorous course of study as well as practical experience in the field.

Logan began his career at Grey Oaks Country Club as an intern in the golf department. He was promoted into the accounting department where he progressively advanced before joining the team at PIYC. He continues his professional development while enhancing department operations and Pelican Isle Yacht Club. Logan is an active member of Hospitality Financial and Technology Professionals (HFTP).

To learn more about PIYC and our entire team, visit us at www.PIYC.net.

Fish First Class aboard M/V Sea Flight, boarding begins October 2019! Deep Sea Fishing Trips will now go further with less travel time! MARINEMAX AND MJM YACHTS TEAM UP IN FLORIDA

triple, and quad outboards, respectively, and in 40 and 50 feet with IPS.

Boat owners that have purchased through MarineMax join an elite group, considered family, and receive access to exclusive owners' only Getaways!® trips and events, adventures in the British Virgin Islands and Bahamas with MarineMax Vacations, exceptional service teams ready to keep you on the water all season, and a lifetime of memories with friends and family on the boat of your dreams.

MarineMax welcomes MJM Yachts to their lineup as the official dealer for the West Coast of Florida as well as Stuart and Palm Beach, Florida.

"MJM Yachts has a history of building one of the most technologically advanced powerboats on the market today," states Brett McGill, MarineMax Chief Executive Officer and President. "They specialize in Express Cruisers that are fast, stable, and fuel efficient, with a strong Epoxy composite construction. We see a great opportunity to showcase MJM Yachts and their products in some of the most popular boating destinations in Florida."

MJM Yachts are also noted for their ease of docking, taking advantage of flush-deck design, side boarding doors at dock height and the latest joystick and hovering technologies. Exterior finishes are low-maintenance and models feature wide-open layouts for welcoming crowds. MJM Yachts are now offered in 35, 43, and 53 feet with twin,

Support Molly's Marine

A lawsuit has been filed against Molly's Marine Service by some of the adjoining property owners who want the boatyard to be gone. It existed when they purchased their units, but now it is a "nuisance" and they are suing to cease marina operations. We are confident that we will prevail in the end, but the legal fees are adding up and Molly needs our support. This is a community fight and as a community we need to help Molly so the financial burden does not fall on her shoulders alone. Any donations will go towards fighting this legal battle. We would be grateful for any donation big or small. We can do this together!

MIPAC 3rd Quarter Contributions

Marine Industries Promoting Access for Citizens

In 2002 the Marine Industries Association of Collier County formed a Political Action Committee named Marine Industries Promoting Access for Citizens (MIPAC). This action was taken so that we can support issues and legislative candidates who assist the goals and purposes of the marine industries community.

On a quarterly basis, the MIPAC seeks donations of \$50.00 from each member. The MIPAC's mis-

sions and goals are to act upon problematic issues that must be addressed at the legislative level for the growth and protection of the marine industry. Monies collected from the MIPAC donations are used in supporting political decision makers that will tackle the very issues that affect all members of our industry. As a good steward of our member's donations, MIPAC adheres to uniform contribution criteria when determining how much and

to which candidate assistance is allocated.

MIPAC will educate you about the political landscape and issues facing our organization and will strategize political impact. In addition, the committee is always open to suggestions, questions and comments.

Please send your quarterly donations to MIPAC, PO Box 9887, Naples, Florida 34101

The MIACC represents you, the marine business owner and your business interests to the government and to the public. At a time when government regulations are expanding, the MIACC is striving to work with government - locally, statewide and nationally to protect equally all marine business concerns. Our goal is to inform our members how their business will be affected and how solutions can be reached if new regulations are at odds with marine business interests. In addition, it is equally important to work with the public in preserving their right to safe and fun boating. The MIACC works with educators and safety organizations to educate the public to practice safe boating. The MIACC also encourages members to put in place hands-on environmental business practices that will prevent pollution and damage to our coastal waters thus protecting boaters' enjoyment of healthy waterways and ensuring a sustainable future for the environment and the marine industry.
