From Your Board of Directors

- ◆ There are a lot of new, exciting things in the works for our organization... stay tuned for news!
- ◆ The Marine Industries Docktail Party is our kick off to season. With no Marco Boat Show, the board wanted to provide members the opportunity to show new product, so the Docktail Party idea was born. We hope you will all participate as the City Dock has worked diligently with us to offer more slips than ever AND allow us to bring in the Naples Princess for food/drinks and offer a place for vendors to meet with customers. It's going to be a great show!
- ◆ We are looking for volunteers and nominees for the 2020 Board of Directors, as well as volunteers for one of our Committees. If you want to get more involved and have your opinions heard, please let Tiffany know!
- ◆ The MIACC website will be going live SOON! We are excited to offer a beautiful new platform to promote MIACC and YOU! Please send your logos to be placed on the site!
- ◆ Don't forget to offer customers the opportunity to save on their taxes by Donating their Boat to the MIACC Foundation!

Marine Industries Association of Collier County Foundation

DONATE YOUR BOAT

Committees:

Boat Show Committee
Development Committee
Political/Legislative Committee
Finance/Fundraising Committee
Membership Committee

- ◆ We are looking for theme ideas for our upcoming Christmas Boat Parade December 14th
- ◆ Naples Boat Show applications will be available in October. The show will take place at the Naples Airport and Naples City Dock as we did last year

Support Molly's Marine

A lawsuit has been filed against Molly's Marine Service by some of the adjoining property owners who want the boatyard to be gone.

It existed when they purchased their units, but now it is a "nuisance" and they are suing to cease marina operations. We are confident that we will prevail in the end, but the legal fees are adding up and Molly needs our support. This is a community fight and as a community we need to help Molly so the financial burden does not fall on her shoulders alone. Any donations will go towards fighting this legal battle. We would be grateful for any donation big or small. We can do this together!

Party At The Clinic

Neighborhood Health Clinic

Hope and Healing for Those in Need™

MIPAC 3rd Quarter Contributions

Marine Industries Promoting Access for Citizens

In 2002 the Marine Industries Association of Collier County formed a Political Action Committee named Marine Industries Promoting Access for Citizens (MIPAC). This action was taken so that we can support issues and legislative candidates who assist the goals and purposes of the marine industries community.

On a quarterly basis, the MIPAC seeks donations of \$50.00 from each member. The MIPAC's mis-

sions and goals are to act upon problematic issues that must be addressed at the legislative level for the growth and protection of the marine industry. Monies collected from the MIPAC donations are used in supporting political decision makers that will tackle the very issues that affect all members of our industry. As a good steward of our member's donations, MIPAC adheres to uniform contribution criteria when determining how much and

to which candidate assistance is allocated.

MIPAC will educate you about the political landscape and issues facing our organization and will strategize political impact. In addition, the committee is always open to suggestions, questions and comments.

Please send your quarterly donations to MIPAC, PO Box 9887, Naples, Florida 34101

Please make checks payable to
MIPAC

BEHIND THE SCENES TOUR OF COLLIER'S EMERGENCY SERVICES!

Presentation by Dan Summers

WHAT YOU NEED TO KNOW:

- * Park inside the gates of the EOC
- * Everyone will go through security so ladies should bring a small or no purse, and of course no weapons of any sort will be allowed in the building
- * No pictures can be taken inside the EOC

The MIACC represents you, the marine business owner and your business interests to the government and to the public. At a time when government regulations are expanding, the MIACC is striving to work with government - locally, statewide and nationally to protect equally all marine business concerns. Our goal is to inform our members how their business will be affected and how solutions can be reached if new regulations are at odds with marine business interests. In addition, it is equally important to work with the public in preserving their right to safe and fun boating. The MIACC works with educators and safety organizations to educate the public to practice safe boating. The MIACC also encourages members to put in place hands-on environmental business practices that will prevent pollution and damage to our coastal waters thus protecting boaters' enjoyment of healthy waterways and ensuring a sustainable future for the environment and the marine industry.
