◆ BUSINESS OWNERS PLEASE READ THIS! SWFL BUSINESS OWNERS ARE OVER PAYING THEIR TAXES AND LEAVING SERIOUS MONEY ON THE TABLE BY NOT CLAIMING THEIR FEDERAL TAX CREDITS.

JERRY WRIGHT, Founder of Save Phace (savephace.com) lost \$757,000 after he sold his company to a Private Equity company, and the buyer recovered his un-claimed Federal Tax Credits for the previous 3 years. Jerry calculated that by not filing for his credits, he lost more than \$4 million over the life of his company!

That is a significant loss of Generational Wealth!

JERRY HAD SEVERAL CPA'S AND ATTORNEYS, BUT FOUND OUT THAT LOCAL TAX CPA'S DO NOT CALCULATE THESE CREDITS, THEY HIRE IT OUT TO COMPANIES SUCH AS OURS.

THESE TAX INCENTIVES ARE NOT JUST FOR:
AMAZON, PFIZER AND SKANSKA CONSTRUCTION!

MANY OF THESE TAX CREDITS HAVE BEEN AVAILABLE FOR 40 YEARS - MOSTLY USED BY THE FORTUNE 2000 COMPANIES. SINCE 2016 CONGRESS HAS MADE MANY INCENTIVES PERMANENT AND AVAILABLE TO ALL, YES ALL, SMALL & MEDIUM-SIZED COMPANIES THAT QUALIFY.

MOST TAX CPA'S DO NOT KNOW THIS BECAUSE THEY DO NOT DO THIS. THEY DO YOUR PERSONAL AND BUSINESS TAX RETURNS. AND SINCE YOUR CPA IS LIKELY YOUR MOST TRUSTED FINANCIAL ADVISOR (AND RIGHTLY SO), YOU SIMPLY HAVEN'T HEARD THIS.

WE HAVE HELPED BUSINESS OWNERS IN SWFL QUALIFY FOR OVER \$4 Million in FEDERAL TAX INCENTIVES in 2019.

OUR TAX INCENTIVE CPA'S & EXPERTS QUALIFY YOUR COMPANY FOR MANY TAX CREDITS.

R&D Tax Credit; Cost Segregation; WOTC; Energy Credits

QUALIFIED BUSINESS OWNERS ARE OFTEN FROM:
CONSTRUCTION & SUB CONTRACTORS: HVAC; ELECTRICAL; UTILITIES; ENGINEERING & ARCHITECTURE; BEVERAGE MAKERS & FOOD PROCESSORS; MEDICAL: SURGEONS, DENTISTS, ORTHODONTISTS, MANUFACTURERS of ALL KINDS; & FARMERS

WE ARE BUSINESS ADVISORS FOR AMERICAN BUSINESS INCENTIVE SERVICES, A NATIONAL LEADER IN HELPING SMALL & MEDIUM-SIZED BUSINESS OWNERS RECOVER THEIR OVER PAID TAXES THROUGH FEDERAL TAX INCENTIVES.

THESE TAX INCENTIVES ARE APPROVED BY THE U.S. CONGRESS & ISSUED BY THE IRS. WE OFFER AUDIT PROTECTION. IF WE DON'T RECOVER YOUR OVERPAID TAXES, YOU PAY NOTHING.

Foundation: Keewaydin Fundraising Campaign Kickoff

The Keewaydin Committee is working on a marketing campaign to support the fundraising goals of the island legacy project.

Photographers from United Sound Video and Nate Lane Photography donated their time to film footage of the project at it's start, as well as stories and interview footage from some of the committee members and "old timers".

The MIACC Foundation is thankful for the support of SO MANY on this project! This would not be possible without the Dean family, Jim Kalvin of Kalvin & Calvin Marine Construction, Josh Maxwell of Turrell Hall & Associates, and all the committee members! Thanks again to Dan Maruszczak and Windstar for transporting the crew!

MIPAC 3rd Quarter Contributions

Marine Industries Promoting Access for Citizens

In 2002 the Marine Industries Association of Collier County formed a Political Action Committee named Marine Industries Promoting Access for Citizens (MIPAC). This action was taken so that we can support issues and legislative candidates who assist the goals and purposes of the marine industries community.

On a quarterly basis, the MIPAC seeks donations of \$50.00 from each member. The MIPAC's mis-

sions and goals are to act upon problematic issues that must be addressed at the legislative level for the growth and protection of the marine industry. Monies collected from the MIPAC donations are used in supporting political decision makers that will tackle the very issues that affect all members of our industry. As a good steward of our member's donations, MIPAC adheres to uniform contribution criteria when determining how much and

to which candidate assistance is allocated.

MIPAC will educate you about the political landscape and issues facing our organization and will strategize political impact. In addition, the committee is always open to suggestions, questions and comments.

Please send your quarterly donations to MIPAC, PO Box 9887, Naples, Florida 34101

The MIACC represents you, the marine business owner and your business interests to the government and to the public. At a time when government regulations are expanding, the MIACC is striving to work with government - locally, statewide and nationally to protect equally all marine business concerns. Our goal is to inform our members how their business will be affected and how solutions can be reached if new regulations are at odds with marine business interests. In addition, it is equally important to work with the public in preserving their right to safe and fun boating. The MIACC works with educators and safety organizations to educate the public to practice safe boating. The MIACC also encourages members to put in place hands-on environmental business practices that will prevent pollution and damage to our coastal waters thus protecting boaters' enjoyment of healthy waterways and ensuring a sustainable future for the environment and the marine industry.
