

Opportunity

Thank you for the opportunity to introduce the Marine Industries Association of Collier County and our events to you. Our association is dedicated to the marine industry and environment here in southwest Florida and our annual events are an excellent platform to promote boating and protect our waterways!

Marine Industries Association of Collier County (MIACC) produces two consumer events annually. Each show offers a unique experience for show goers and sponsors, but all shows share the same quality experience and value that comes from being produced by Naples's only marine trade association – MIACC, which has been producing consumer events since 1982. Sponsors are invited to sponsor each show independently or take advantage of multi-show discounts.

**Collectively, our shows offer:**

- Face-to-face exposure to more than 10,000 boating enthusiasts.
- Product branding/logo inclusion in nearly \$50,000 media advertising.
- Test drive, product sampling, and other exciting interactive opportunities to a perfectly matched demographic.

Event Schedule

**Naples Boat Show:**

- Hosts over one hundred (150) vendors
- Boats Displayed: over one hundred (130)
- Attendance of five to seven thousand (5-7k)

**Docktail Party:**

- Hosts over thirty (30) vendors
- Attendance of over three-thousand (3,000)

**Charitable Community** events as well (sponsorship details are also available)

- Naples Bay Christmas Boat Parade: Presented to three to five thousand (3-5k)
- Kids Fishing Clinic hosts over 350 participants and their parents. *Presented by the MIACC Foundation*

Creative  
Implementation

**Marketing & Media Attention**

Our promotional efforts give you access and exposure to audiences you cannot afford to reach on your own. A highly visible, fully integrated advertising campaign features a strategic mix of broadcast, radio, print, online, direct mail postcard, posters, flyers, banners, event signage, emails and social media, and **delivers millions of impressions to key buying demographics**. Public relations reinforce the advertising, generate show awareness and secure news stories in TV, newspapers and magazines. There's no better place to introduce new products or promote your company.

**Thousands of Attendees! Strong demographics!** MIACC events are the Naples-Marco premier consumer boating exhibitions and events. Attendees are motivated consumers who come to see what's new in boats and shop for gear and accessories they won't find elsewhere: Families visiting MIACC Boat Shows have: 70% have an annual income of more than \$75,000, 32% have an annual income of more than \$150,000, 83% are shopping for a boat, 65% plan to purchase a boat within two years. 45% of attendees are prime ages of 35-54 years, 75% are 25-54 years 48% are college graduates 49% own one boat, 33% own two and 18% own 3 or more.

**A powerful boating market!** The Southwest Florida area has nearly 100,000 registered boats on file which equates to approximately one boat for every 8 households. Conservatively speaking, the industry estimates more than half a million people in Southwest Florida enjoy recreational boating as a favorite past time. Boating contributes \$1.24 billion annually to Southwest Florida's economy and represents more than 10,000 jobs.

**Boat Shows remains strong roll in boat buying process!** New research continues to affirm Boat Shows remain an important tool in the boat buying process. Nearly six-in-ten (57%) of those surveyed attended a boat show in the 12 months before they bought their most recent boat. This research also shows that pre-purchase show attendance increases with household income and that nearly 50% attended two or more boat shows before purchasing their boat.

● Leader of the pack

\$10,000

\* Top sponsor benefits for all MIACC & Foundation events (Boat Shows, Boat Parade, Kids Fishing Clinic)
