LiveBlue Yacht management has recently incorporated an amazing feature that speaks for itself, 24/7/365 monitoring. This has changed the game for all vessel owners. LiveBlue yacht management can monitor the essential functions of your boat every 60 seconds - 24/7/365. We are able to check batteries, bilges, shore power, operational hours, location, and theft with one click of a button. All alarms are immediately triggered and dealt with by our 24/7/365 team in real time, by a real human. Another amazing feature about 24/7/365 monitoring is we are able to track your boat wherever it goes. This is good for two reasons, theft protection which gives all owners a piece of mind and security. Secondly, with all the help from a security and equipment stand point, this feature can save you money on your insurance bill. Finally, with 24/7/365 monitoring, you have a technician hotline anytime you want and need. For example, if your boat doesn't start, with our technician hotline we are one call away to help save the day. Check us out at <http://livebluecharters.com>

MIPAC 2nd Quarter Contributions

Marine Industries Promoting Access for Citizens

In 2002 the Marine Industries Association of Collier County formed a Political Action Committee named Marine Industries Promoting Access for Citizens (MIPAC). This action was taken so that we can support issues and legislative candidates who assist the goals and purposes of the marine industries community.

On a quarterly basis, the MIPAC seeks donations of \$50.00 from each member. The MIPAC's mis-

sions and goals are to act upon problematic issues that must be addressed at the legislative level for the growth and protection of the marine industry. Monies collected from the MIPAC donations are used in supporting political decision makers that will tackle the very issues that affect all members of our industry. As a good steward of our member's donations, MIPAC adheres to uniform contribution criteria when determining how much and

Our Mission: Marine Industries Association of Collier County (MIACC) is a not-for-profit membership-based organization focused on the responsible growth of the marine industry for the benefit of its members, recreational boaters, the community, and the environment.

Our Goal: MIACC represents recreational boating and member interests at the Local, State, and Federal levels; Issues of interest include Water Access, Recreational Boating, Commercial Boating, Free Trade, Advocating for Property Rights, and Legislative or Regulatory initiatives that impact these interests.

Our Members: Members include Dealers & Manufacturers, Boating & Professional Services, Charters, Marine Contractors, Boat Lifts, Shipyards & Storage, and Equipment & Accessories.

to which candidate assistance is allocated.

MIPAC will educate you about the political landscape and issues facing our organization and will strategize political impact. In addition, the committee is always open to suggestions, questions and comments.

Please send your quarterly donations to MIPAC, PO Box 9887, Naples, Florida 34101

2nd Quarter Contributions are available
