¹ Bonus points/rewards dollars will be awarded within 60 days of qualification. Limit one per company.
² Merchants who accept Visa credit cards are assigned a merchant code, which is determined by the merchant or its processor in accordance with Visa procedures based on the kinds of products and services they primarily sell. We group similar merchant codes into categories for purposes of making reward offers to you. We make every effort to include all relevant merchant codes in our rewards categories. However, even though a merchant or some of the items that it sells may appear to fit within a rewards category, the merchant may not have a merchant code in that category. When this occurs, purchases with that merchant won't qualify for rewards offers or purchases in that category.
³ Purchases are defined as net retail purchases gross retail purchases less any refunds or credits.
⁴ All redemptions must be completed in increments of \$25, \$250 points or \$50 reward dollars. No statement credit will be applied against any monthly minimum payment due.
⁵ Cash back rewards can be redeemed as a statement credit or as a deposit into your First Citizens checking or savings account.
⁶ Pay Me Back redemptions must be made within 60 days of original qualifying purchase of \$100 or greater. Some exclusions apply to certain categories of transactions. No statement credit will be applied against any monthly minimum payment due.

The Current Prime Rate as of July 31, 2023 is 8.50% and may vary in the future. The transaction fee for a cash advance is 5% or 4% of the amount of the cash advance, whichever is greater. The transaction fee for foreign transactions is 3% (5% for Premium Rewards and Rewards Business) of each transaction after conversion to US dollars.
⁸ It will be subject to a balance transfer fee of 3% or 3% of the amount of each transfer, whichever is greater. After the 12 (for Non-Rewards) billing cycle period, your APR will adjust to your purchase APR.

MIPAC 1st Quarter Contributions

Marine Industries Promoting Access for Citizens

In 2002 the Marine Industries Association of Collier County formed a Political Action Committee named Marine Industries Promoting Access for Citizens (MIPAC). This action was taken so that we can support issues and legislative candidates who assist the goals and purposes of the marine industries community.

On a quarterly basis, the MIPAC seeks donations of \$50.00 from each member. The MIPAC's mis-

sions and goals are to act upon problematic issues that must be addressed at the legislative level for the growth and protection of the marine industry. Monies collected from the MIPAC donations are used in supporting political decision makers that will tackle the very issues that affect all members of our industry. As a good steward of our member's donations, MIPAC adheres to uniform contribution criteria when determining how much and

to which candidate assistance is allocated.

MIPAC will educate you about the political landscape and issues facing our organization and will strategize political impact. In addition, the committee is always open to suggestions, questions and comments.

Please send your quarterly donations to MIPAC, PO Box 9887, Naples, Florida 34101
