Kids Fishing Clinic

We were excited to help the City of Naples with the Arbor Fest Kids Fishing Clinic, a new element to the event this year, and it was a HUGE success! 210 kids came out to Baker Park to fish with us. Thank you to all of our incredible volunteers who helped us teach the next generation of anglers to be responsible stewards of our marine life and love.

Welcome to the world of Fast-Flag!

If you're a boater, live on the water or just interested in a solid indestructible American flag for your boat, golf cart, back-yard poolside or dock: do we have the flag for you.

Unlike your standard fabric flag, our flags are made entirely of aluminum and built to last, best of all, they are not just proudly made in America, they are made right here in Naples Florida.

Check us out on the web at www.yourlastflag.com or better yet, come visit us in our brand-new showroom and design center at 3425 Radio Rd. just across from the Naples airport.

And please, remember this ... Fast-Flag will be your last flag.

- ♦ Golden Sunshade, in collaboration with Golden Marine Systems, proudly delivered a premium covered floating dock system for The Esplanade in Estero, Florida. This custom-engineered installation features a 20' x 30' floating platform paired with a matching 20' x 30' overhead sunshade structure, both seamlessly accessed via a 6' x 30' heavy-duty gangway.

Both the floating dock and the sunshade are constructed using marine-grade 6061-T6 aluminum and secured with 300 series American stainless-steel hardware, ensuring long-term durability and resistance to the harsh coastal environment. The integrated design not only provides a

stable and low-maintenance docking solution but also delivers all-weather protection, making it ideal for recreational or community waterfront use.

As with all Golden systems, the components were manufactured in Florida and delivered fully assembled for efficient onsite installation. This project is a testament to Golden's commitment to quality, innovation, and excellence in marine infrastructure.

MIPAC 3rd Quarter Contributions

Marine Industries Promoting Access for Citizens

In 2002 the Marine Industries Association of Collier County formed a Political Action Committee named Marine Industries Promoting Access for Citizens (MIPAC). This action was taken so that we can support issues and legislative candidates who assist the goals and purposes of the marine industries community.

On a quarterly basis, the MIPAC seeks donations of \$50.00 from each member. The MIPAC's mis-

sions and goals are to act upon problematic issues that must be addressed at the legislative level for the growth and protection of the marine industry. Monies collected from the MIPAC donations are used in supporting political decision makers that will tackle the very issues that affect all members of our industry. As a good steward of our member's donations, MIPAC adheres to uniform contribution criteria when determining how much and

to which candidate assistance is allocated.

MIPAC will educate you about the political landscape and issues facing our organization and will strategize political impact. In addition, the committee is always open to suggestions, questions and comments.

Please send your quarterly donations to MIPAC, PO Box 9887, Naples, Florida 34101

Our Mission: Marine Industries Association of Collier County (MIACC) is a not-for-profit membership-based organization focused on the responsible growth of the marine industry for the benefit of its members, recreational boaters, the community, and the environment.

Our Goal: MIACC represents recreational boating and member interests at the Local, State, and Federal levels; Issues of interest include Water Access, Recreational Boating, Commercial Boating, Free Trade, Advocating for Property Rights, and Legislative or Regulatory initiatives that impact these interests.

Our Members: Members include Dealers & Manufacturers, Boating & Professional Services, Charters, Marine Contractors, Boat Lifts, Shipyards & Storage, and Equipment & Accessories.

3rd Quarter Contribution will be sent out soon!
Please make checks payable to MIPAC
