Pelican Isle Yacht Club Proudly Hosts Third Annual FCYC Inter-Club West Coast Pickleball Tournament

Pelican Isle Yacht Club hosted the Third Annual Florida Council of Yacht Clubs (FCYC) West Coast Pickleball Tournament on November 15, 2025. The event brought together players from across Florida's West Coast for a full day of spirited, competitive play on the PIYC Courts in Naples.

PIYC is one of 36 private, Member-owned yacht clubs that have been selected as Members of the Florida Council of Yacht Clubs. Established in 1960, the FCYC is a respected force recognized as a potent organization of dedicated yachtsmen. The Council's mission is to encourage the sport of yachting, promote the science of seamanship, and provide for the entertainment of its Members.

This annual Inter-Club tournament welcomes Members from FCYC's 22 Member Clubs, offering Men's, Women's, and Mixed Doubles divisions as part of the broader FCYC Inter-Club Competition lineup. PIYC was proud to serve as this year's host site, providing a vibrant and welcoming atmosphere for participants and spectators alike.

We were especially excited to have strong participation from our own PIYC Members, who played with exceptional energy, teamwork, and sportsmanship throughout the day. Their dedication and enthusiasm made a standout impression, and we are proud to recognize their success on the courts. PIYC celebrates the following Members for their outstanding tournament results:

- Men's Division – Gold Medal: Dave MacKinnon & Scott Gregory • Women's Division – Gold Medal: Marilyn Davis & Liz Gregory • Mixed Division – Silver Medal: Doug & Heidi Becker

Pelican Isle Yacht Club extends its congratulations to all competitors and thanks every participant for contributing to a memorable day of camaraderie, friendly rivalry, and pickleball excellence.

MIPAC 1st Quarter Contributions

Marine Industries Promoting Access for Citizens

In 2002 the Marine Industries Association of Collier County formed a Political Action Committee named Marine Industries Promoting Access for Citizens (MIPAC). This action was taken so that we can support issues and legislative candidates who assist the goals and purposes of the marine industries community.

On a quarterly basis, the MIPAC seeks donations of \$50.00 from each member. The MIPAC's mis-

sions and goals are to act upon problematic issues that must be addressed at the legislative level for the growth and protection of the marine industry. Monies collected from the MIPAC donations are used in supporting political decision makers that will tackle the very issues that affect all members of our industry. As a good steward of our member's donations, MIPAC adheres to uniform contribution criteria when determining how much and

to which candidate assistance is allocated.

MIPAC will educate you about the political landscape and issues facing our organization and will strategize political impact. In addition, the committee is always open to suggestions, questions and comments.

Please send your quarterly donations to MIPAC, PO Box 9887, Naples, Florida 34101
